Congratulations

Transfer Interviews are currently taking place for all our Primary 7 children. This is the arrival at a significant crossroads for our children, as they along with every child in Primary 7 prepare for the big step of leaving primary school by expressing their preferences for post primary.. Most importantly will be the attitude shown towards future learning and we hope our children will show enthusiasm, interest and commitment to the remainder of their time in our school and to whatever new school they enrol in for September.

Tomorrow morning the postman will bring the results of the **AQE Transfer Tests** for many of our Primary 7 children. Congratulations are due to all our **Primary 7 children**, staff and parents for their achievements. An immense amount of time and effort has been invested and I wish to thank and commend all for their best efforts.

However well prepared and hardworking everyone is, this process brings its stresses and demands. Hopefully, these results will be a springboard for further hard work and achievement, and a clear guidance for future schools.

Thank you once again for all your help over recent months.

**Due to Parental Interviews School will close
at 2.00pm for all children from
Monday 6th – Friday 10th February.**

Parental Interviews

Mossley Primary School always seeks to inform and involve parents as much as possible in the education of their children. In line with this objective a second set of parental interviews will take place during the in-coming week.

Ideally children should not accompany parents to interviews. However, where alternative arrangements cannot be made please ensure that children stay with you, while you wait, and remain seated quietly in the corridors during the interviews. Perhaps they could bring a book or a quiet game with them. Children should not be left to play in the playground nor to wander about inside. Thank you in anticipation of your co-operation in this matter. **School will finish at 2.00pm for all children in P1-3 and 2.05pm for P4-7 children, on each of these days.**

Non Uniform Day Friday 10th February 2012

Friday 10th February is a non-uniform day. Please encourage your child to bring at least **£1** for the children in Uganda. Our Senior Assembly on Friday will be our annual UNICEF Day for Change. This year's country for focus is Uganda and monies raised will be used by UNICEF to help children in Uganda adapt to climate change. Climate change is denying children clean water, nutritious food and a healthy environment.

Thank you for your support

£2.20 per day					

Visit to Mossley Mill

On Friday Mossley Primary's School Council visited Mossley Mill. We met Paula Bradley, a past mayor of Newtownabbey and a former pupil of Mossley Primary School! We got to sit in the most important room in Mossley Mill which is called the Council Chamber. That is where the politicians meet. The School Council members got to choose a seat and then we got to ask Paula lots of questions. Aaron Gooderham made sure that Paula answered loads of questions!! We asked Paula what it was like to be Mayor, and she said it was a great experience. Before we left Mossley Mill we got to wear the Mayor's Chain. We all really enjoyed our visit and meeting with Paula Bradley. She invited us to have a School Council meeting in the Council Chamber later on in the year.

By Rose Dykes, Megan Simpson and Aaron Gooderham (P6 School Council members)

Check out our school website for more photos!
